The status of the Marks in your country is set forth in the attached Exhibit 2.

D. Franchisor maintains high standards of quality for its products and services such that valuable goodwill is attached to the Marks.

E. Franchisee desires to obtain the right to own and operate a franchised Car Wash Guys business on the terms and conditions set forth herein.

NOW, THEREFORE, in consideration of the foregoing and the promises contained herein, the parties agree as follows:

1. FRANCHISE AND TERM

1.1 Grant of Franchise

Franchisor grants to Franchisee, and Franchisee accepts, the right to use the Marks and the Car Wash Guys System of Franchisor in the operation of a business (the "Franchised Business") at a location (as defined below) in the city and country (the Marketing Area") on the terms and conditions set forth in this Agreement. Franchisee may not use the Marks in any other business or offer any products or services which are not included within the Franchised Business without the prior written consent of Franchisor. Franchisee must provide: (1) mobile car washing and waxing services (the "Core Services"). At Franchisee's election (which election may be made at the date hereof or at any time during the term of the Agreement), Franchisee may provide automobile and light vehicle fleet washing ("Optional Services"). Franchisor reserves the right to introduce or eliminate any Core Services and Optional Services during the term of this Agreement as part of the Car Wash Guys System, provided any such additions must relate solely to cleaning, washing and waxing of automobiles and fleets of light vehicles. Franchisee shall be required to provide all such services that Franchisor designates as Core Services. In the event that, subsequent to the date hereof, Franchisee elects to provide any Optional Services offered as part of The Car Wash Guys System other than those listed herein, they must receive written permission. To the extent that Franchisee elects to provide any Optional Services during the term of this Agreement, including any renewal hereof, Franchisee shall at all times thereafter continue to provide such Optional Services unless and until Franchisor eliminates such service from The Car Wash Guys System. The Core services and any Optional Services which Franchisor elects to provide during the term of this Agreement are collectively referred to as the "Services".

1.2 Marketing Area

Franchisee is hereby granted a nonexclusive Marketing Area defined by geographic boundaries as determined by Franchisor in its sole discretion after giving considerations to relevant demographic information, including the number of vehicles, population and demographics, the actual boundaries of which are set forth on Exhibit 1 attached to this Agreement. Franchisee may not conduct any advertising that is circulated outside the Marketing Area or otherwise solicit customer accounts that are located outside the Marketing Area without the prior written consent of Franchisor. Franchisee may not solicit customers within the Marketing Area with respect to Services that would be provided to such customers both within and outside the Marketing Area (such customer being referred to as a "National or International Account") without the prior written consent of Franchisor.

In the event Franchisee enters into an agreement to provide Services to a National or International Account, Franchisee's agreement in respect thereof must provide that Services for locations other than in the Marketing Area must be subcontracted to other Car Wash Guys Franchisees in their licensed marketing areas ("Other Franchisees"), if any. Franchisor, in its discretion, may establish other Franchisees who may advertise and solicit customer accounts within the Marketing Area and who may be in competition with Franchisee. In addition, Franchisor retains the right to solicit and sell National or International Accounts within the Marketing Area, including but not limited to solicitation and sales via direct marketing campaigns, telemarketing, and by use of the Internet and other on-line computer networks.

Franchisee may not, directly or indirectly, sell, offer to sell, or provide any of the Services to any person or legal entity that is under contract with, is a current customer of, or was invoiced within the previous six (6) months ("Customer Accounts") by, another Car Wash Guys Franchisee who has been granted a marketing

area that overlaps (in part or whole) with the Marketing Area described in this Section 1.2 and Exhibit 1 of this Agreement (“Overlapping Franchisee”). The provisions of this paragraph shall apply only to Customer Accounts in which the customer is located in both Franchisee’s Marketing Area and in a Overlapping Franchisee’s marketing area (“Overlapping Territory”), and are intended to be broadly interpreted to prevent Franchisee from directly or indirectly interfering with any of the customer relationships that have been established by an Overlapping Franchisee in Overlapping Territory. The provisions of this paragraph shall not apply if Franchisee obtains written permission, granted by the President, Vice President or Continent Franchisor Director (CFD) of the Franchisor, to engage in conduct that otherwise is prohibited in this paragraph. If Franchisee violates any of the provisions of this paragraph, Franchisee shall pay to the Overlapping Franchisee(s) forty-three point five percent (43.5%) of the revenue derived from the Customer Accounts that caused Franchisee to violate this paragraph. Such revenue must be paid to the Overlapping Franchisee(s) with ten (10) calendar days of receiving such revenue, for so long as Franchisee receives revenue from those Customer Accounts. This paragraph shall be effective only if an Overlapping Franchisee is subject to the same or similar provisions of this paragraph.

1.3 Term

1.3.1 Initial Term

This Agreement is effective and binding for an initial term of five (5) years commencing on the date of its execution by Franchisor, unless sooner terminated as provided herein.

1.3.2 Renewal Term

Subject to Section 1.3.3, Franchisee may renew its right to operate as a Franchisee of Franchisor for five (5) successive two (2) year terms provided that the Franchisee has remained in full compliance throughout the previous term and on the same terms and conditions on which Franchisor is then customarily granting new franchises; or, if Franchisor is not then granting any new franchises, then on the same terms and conditions on which Franchisor is then customarily granting renewal franchises by executing the then current form of such agreement. Franchisee will not be required to pay a renewal fee upon exercise of such right. Franchisee must give Franchisor written notice of intent to renew such right not more than one hundred eighty (180) calendar days nor less than ninety (90) calendar days prior to the expiration of the preceding term.

The renewed Franchise Agreement will be evidenced by the Franchisee signing the Franchise Agreement forms which Franchisor is then using. These forms may vary materially from this Agreement. Royalty Fees, Advertising and Promotional Fund fees and other fees will be set at the then prevailing rates and terms. The failure or refusal to execute the Renewal Franchise Agreement forms within thirty (30) days after delivery to the Franchisee may be regarded as an election by the Franchisee not to renew. Upon renewal, the Franchised Business must remain located in the geographical territory designated in this Agreement. The Marketing Area may be modified and its geographic area may be reduced.

Franchisee will reimburse Franchisor for Franchisor’s reasonable out-of-pocket costs concerning the renewal. Franchisee will refurbish, remodel, and replace the Franchise equipment to conform to the then current Confidential Operations Manual and System. There will be no limitation on the amount that Franchisor may require Franchisee to spend on refurbishing, remodeling and replacement. Upon renewal, Franchisee must execute a general release, in a form prescribed by Franchisor, following applicable law, to release Franchisor from any claims Franchisee may have against the Franchisor or any predecessor, sister or co-branding companies of

the Franchisor, their current or former shareholders, directors, officers, employees, agents and their spouses.

Before renewal, Franchisee or their designated manager will attend and successfully complete any retraining program Franchisor prescribes in writing. This will be done at the Franchisee's expense, including travel, meals, lodging, and the then current training fee.

1.3.3 Refusal to Renew

Notwithstanding the foregoing provisions, Franchisor will not be obligated to renew Franchisee's rights to operate as a Franchisee of Franchisor if Franchisee has failed to satisfactorily comply with Franchisee's duties, obligations and covenants during the preceding term or is then in default of any provisions of this Agreement. The determination of satisfactory compliance will be within the exclusive discretion of Franchisor in good faith. If Franchisor refuses to renew, Franchisee must continue to perform under this Franchise Agreement until its expiration.

Continuation. If Franchisee is in the process of transferring the Franchised Business at the time of expiration Franchisee may be allowed to continue to operate the Franchise with Franchisor's express consent, following the expiration or termination of this Agreement. The continuation will be a month-to-month extension of this Franchise Agreement. Otherwise, all provisions of this Agreement will apply while operations continue.

1.4 Possible Expansion

After the fourth (4th) month following the opening and operation of the Location, Franchisor and Franchisee will discuss the possibility of Franchisee's expansion to other cities or other marketing area in the country. However, this Agreement does not require Franchisor to grant any additional rights to Franchisee.

2. FEES

2.1 Initial Fee

In consideration of the license granted herein, Franchisee shall pay to Franchisor, within ten (10) business days of the date this Agreement is executed, an initial fee of Twenty Thousand U.S. Dollars (US \$20,000).

2.2 Continuing Fees

2.2.1 Royalties

The royalties for each truck/unit will be \$100.00 per month. This royalty fee is due and payable in full on the seventeenth (17th) calendar day of each calendar month. These royalty payments are to be paid for every truck and trailer unit Franchisee operates. Payments of continuing royalty fees are not refundable and must be made via bank wire or such other electronic funds transfer procedure as Franchisor may require.

The royalty fee may not be uniform for all franchises now being offered by the Franchisor. Franchisor reserves the right to trade services for royalties upon our mutual consent. Franchisor reserves the right to administer National and International accounts and collect all monies. Franchisor may subtract out the royalty fees and/or the promotional fund fees that Franchisee pays Franchisor before forwarding any monies due the Franchisee. Payments to the Franchisee will be settled monthly.

2.2.2 Insurance Payments

Franchisee could be paying monthly for the insurance Franchisee is required to maintain for the operation of the Franchised Business. If Franchisee fails to keep in force their insurance requirements Franchisee may be terminated. (See Section 3.21 of this Agreement.)

2.3 Promotional Fund

2.3.1 Franchisee Contributions

Franchisee will pay to Franchisor each month as a contribution to a Car Wash Guys System promotional fund (the "Promotional Fund"), if and when established, one hundred dollars (\$100) per calendar month. Promotional Fund contributions are due and payable in full at the same time and in the same manner as continuing royalty fees. Payments of Promotional Fund contributions are not refundable.

2.3.2 Use

Franchisor will not commingle Promotional Fund contributions with its general funds, but will hold all Promotional Fund contributions from all its Franchisees in one or more designated accounts.

The Promotional Fund may be used as determined by Franchisor:

- (a) to purchase national, regional, and local advertising in broadcast, print, internet and electronic media;
- (b) to be used exclusively to meet any and all costs of maintaining, administering, researching, directing and preparing advertising and/or promotional activities (including, among other things, the costs of preparing and conducting television, radio, magazine, newspaper and internet advertising campaigns); direct mail and outdoor billboard advertising; marketing surveys and public relations activities; use of advertising agencies and website developers to assist with projects, website development and maintenance and internet informational and advertising links and promotional brochures, CD-ROMs, video tapes and other marketing materials for the Franchisor.
- (c) to acquire the services of in-house and outside advertising, public relations professionals and website developers;
- (d) to carry on other advertising and promotional activities as Franchisor may reasonably deem advisable to increase demand for Services offered by its Franchisees, whether Core Services or Optional Services; and
- (e) to pay the reasonable expenses of administering the Promotional Fund, including the reasonable compensation of Franchisor's employees and expenses of the advisory committee described in Section 2.3.3 (if established by Franchisor) while working on behalf of the Promotional Fund.

2.3.3 Administration

The Promotional Fund will be administered by the Franchisor or by an advertising agency selected by the Franchisor. Franchisor, in its sole discretion, may establish a Franchisee advisory committee from time to time to provide input and suggestions regarding use of the Promotional Fund and the effectiveness of programs funded by the Promotional Fund. If the Franchisee advisory committee is appointed, it will consist of representatives of Franchisor and representatives of the Franchisees, with the representatives of Franchisees constituting a majority of the members thereof. Franchisor shall retain sole discretion over the use of the Promotional Fund.

2.3.4 Accounting

Franchisor will account to Franchisee annually for all Promotional Fund contributions received and spent. The accounting will be made by written report within ninety (90) calendar days of the end of the year setting forth the total contributions received from all Car Wash Guys System Franchisees as a group and all expenditures made by Franchisor, together with the balance on account in the Promotional Fund as of the date of the report.

2.3.5 Commercial Relationship

Franchisor and Franchisee agree that the rights and obligations of the parties arising from the Promotional Fund and all related matters are governed solely by this Agreement, and that this Agreement and the Promotional Fund are not in the nature of a "trust," "fiduciary relationship," or similar special relationship. Franchisor and Franchisee agree that the Promotional Fund and this Agreement are based on an ordinary commercial relationship between independent businesspersons.

2.4 Transfer Fee

Upon any transfer or assignment of this Agreement, Franchisee will pay to Franchisor a transfer fee in an amount equal to (i) US \$5,000 if transferred to an existing Car Wash Guys System Franchisee, or (ii) US \$10,000, if the franchise is transferred to a new Car Wash Guys System Franchisee.

2.5 Late Payment

Franchisee agrees that any payment to Franchisor that is not received within fifteen (15) calendar days after its due date will bear interest at the lower of one and one-half percent (1 1/2%) per month and the maximum rate permitted under applicable law in the Marketing Area, from the date payment was due to the date payment is received by Franchisor.

2.6 Currency

All fees, royalties and other payments referenced in this Agreement are stated in the currency of the United States of America ("U.S. Dollars"). All payments due to Franchisor under this Agreement shall be made in U.S. Dollars. Any fees or payments may be calculated and determined in the currency in which the receipts are denominated. However, payment of all such fees shall be made in U.S. Dollars based on the "Exchange Rate" in effect as of the last day of the date on which such fees or payments are due. As used herein, "Exchange Rate" shall mean the rate of exchange of

the currency in which Gross Receipts of the Location are denominated and U.S. Dollars, as published in the United States edition of The Wall Street Journal on the next business day following the last day of the calendar month for which a fee or payment is due. In the event a payment is transmitted after the date payment is due, the currency exchange rate used shall be the Exchange Rate as of the date payment was due or the Exchange Rate as of the date the payment is transmitted, whichever rate produces the larger amount in U.S. Dollars, and regardless of any Late Payment (as defined in Section 2.5 above) or of any other remedy for non-payment or untimely payment of sums due pursuant to this Agreement. Franchisee shall be responsible for obtaining and maintaining any and all necessary or appropriate governmental approvals or permits enabling Franchisee to make payments to Franchisor in U.S. Dollars.

2.7 Transfer Restrictions

If at any time any legal restrictions shall be imposed upon the purchase of U.S. currency or the transfer to or credit of a non-resident corporation with payments in such currency, Franchisee shall notify Franchisor immediately. Franchisee shall use its best efforts to obtain any consents or authorizations which may be necessary to effect payment in U.S. currency. If Franchisee, despite its best efforts, is unable to effect payment in U.S. currency, Franchisor may direct Franchisee to make payment to Franchisor in such other currency and in such other territory or jurisdictions as Franchisor may select. Franchisor may (to the extent permissible by law) require Franchisee to make such payments to a separate account for the exclusive and sole use and benefit of Franchisor and provide Franchisor with evidence of such payments. Franchisor's acceptance of payment in a currency other than that of the U.S. shall not relieve or release Franchisee of or from its obligations to make future payments in U.S. currency to the extent permitted by law. If, having used its best efforts, Franchisee is unable to obtain consent to or authorization of a method and manner of payment acceptable to Franchisor, then Franchisor may, by written notice to Franchisee, forthwith terminate this Agreement without any claim being made by either party against the other with respect to such termination, but subject to the provisions of this Agreement which expressly or by implication become effective or continue in effect subsequent to such termination.

2.8 Tax Payments

If any amount payable by Franchisee to Franchisor hereunder is subject to withholding or other taxes that Franchisee is required to deduct from such payments, Franchisee shall withhold such amount, remit the withholding to the appropriate tax authority, and promptly deliver to Franchisor receipts of applicable governmental authorities for all such taxes withheld or paid. Franchisee shall be responsible for and shall indemnify and hold Franchisor harmless against any penalties, interest and expenses incurred by or assessed against Franchisor as a result of Franchisee's failure to withhold such taxes or to timely remit them to the appropriate taxing authority. Franchisee agrees to fully and promptly cooperate with Franchisor to provide such information and records Franchisor requests in connection with any application by Franchisor to any taxing authority with respect to Franchisee. If Franchisor is required to refund to Franchisee any amounts paid hereunder, Franchisor shall not be required to refund such amounts which were so withheld by Franchisee until Franchisor receives a refund of such amounts from the

applicable government and/or agency thereof or Franchisor utilizes a foreign tax credit directly attributable to such amounts on its United States Federal income tax return which is accepted in full by the United States Treasury or with respect to the period within which such credit may be reduced or disallowed has expired.

3. OBLIGATIONS OF FRANCHISEE

3.1 Lease

Franchisee must execute a lease or otherwise secure sales office and warehouse premises for the operation of the Location within ninety (90) calendar days after execution of this Agreement by Franchisor. If Franchisee does not secure premises within such 90-day period, Franchisor may terminate this Franchise Agreement.

3.2 Tenant Improvements

Upon execution of the lease for the Location, Franchisee must commence construction and installation of all tenant improvements, trade fixtures, displays and interior décor necessary or appropriate to commence business. The leased or owned premises must be maintained in a safe and orderly manner, present a neat and businesslike appearance and be adequately staffed. A generalized space plan and layout must meet Franchisor approval. Franchisor will make itself reasonably available to assist Franchisee in the design or layout of such premises and in the types of improvements appropriate.

Notwithstanding the foregoing, Franchisee may continue to operate such other business(es) in which Franchisee is engaged as of the date hereof, which business(es) (if any) is/are family owned. In the event Franchisee does continue to operate such other business(es), Franchisee will employ separate personnel for the same, market such services under one or more trading designations separate from the Marks, maintain separate offices and customer reception space (although such space may be located on the premises at the Location), and have the personnel related to such other business(es) wear apparel that does not feature any of the Marks. Notwithstanding the above, to the extent that any business in which Franchisee is engaged provides: (1) cleaning, washing and waxing of automobiles; or (2) Advisory Services, Franchisee shall be permitted to continue to operate such business only for a period of one hundred eighty (180) calendar days from the date thereof; but thereafter, if Franchisee has not disposed of its interest in such business, Franchisor shall have the immediate right to terminate this Agreement.

3.4 Managers; Training

Franchisee is required to hire and maintain sufficient staff in order to handle customer volume at all times. Franchisee is required to pay their employees and staff the wage prevailing (or in some areas a wage high than the then prevailing wage) in the Marketing Area for employees with similar labor skills, people skills and similar job responsibilities.

Franchisee is responsible for making sure their crews meet the standards, specifications and procedures outlined in the Confidential Operations Manual. Franchisee will hire only efficient, competent, sober and courteous employees for the conduct of the Franchised Business and will pay their wages, commissions, piece work and any other compensation justly due with no liability on our part.

Franchisee must take all steps necessary to preserve and protect proprietary information from publication, communication or other unauthorized disclosure or misuse. Franchisee must not disclose any of the proprietary or confidential information, use it in any unauthorized way or assist any other person or entity to disclose or use it either during the term of this Franchise Agreement or at any time thereafter. In particular, Franchisee will require as a condition of the employment of any employee by the Franchisee in the management and operation of the Franchised Business that the employee similarly covenants to maintain and protect the confidential and proprietary information, including the signing of the Franchisee's employee non-compete agreement. Franchisee will be responsible for the compliance with such covenants by their employees, with such covenants being for the benefit of the Franchisor and enforceable by the Franchisor. In the event Franchisee becomes aware of any actual or threatened violations of any such covenants by any of their employees, Franchisee will promptly and fully advise Franchisor in writing of all related facts known to Franchisee. Franchisee will further cooperate with Franchisor in all ways reasonably requested by Franchisor to prevent or stop any such violation, including without limitation institution or permitting to be instituted in the name of Franchisee any demand, suit or action that Franchisor determines is advisable, which demand, suit or action may be maintained and prosecuted by Franchisor and/or Franchisee at the Franchisee's expense.

3.6 Training

3.6.1 Initial Training

A forty (40) hour initial training course is provided with the Franchised Business. Franchisee will be allowed to have up to three people including themselves take this course. This initial training course is required and anyone who will be operating Franchisee's initial car wash truck/unit unsupervised is required to complete the training. At least one person is required to take the training course. . At least one person is required to take the training course. This initial training course will be held at locations Franchisor designates in the United States and will be run by a US based franchisee.

3.6.2 Associated Costs

Franchisee agrees to pay any and all fees, charges, travel, living and other expenses and compensation which may be incurred by Franchisee and/or another designee in connection with this initial training program.

If Franchisee cannot attain legal entry into the United States to attend their required initial training program, Franchisee must submit for Franchisor's approval Franchisee's proposed initial training program. This proposal must include the location(s) of the training, the duration of training at each location (in days or hours), the topics covered and the amount of time spent on each topic (in hours) and the training fees and terms for payment of the fees to be paid at the training location(s). This initial training program must cover all aspects of the operation of the Franchise, equipment operation, financial controls, marketing techniques, car wash service methods, deployment of labor and maintenance of quality standards. If Franchisee's proposed initial training program is not approved in its original form Franchisee must modify it and resubmit a new training proposal. 3.6.3 Failing Training Initially

If Franchisee fails the initial training course, the franchise may be terminated. Franchisee or Franchisee's manager may retake the training program up to one additional time providing Franchisee gives Franchisor written notice of their intent to do so no later than one week after Franchisee or Franchisee's manager fails training. If Franchisee's general manager, whom Franchisee intends to have run Franchisee's business, fails the required initial training program, the franchise may be terminated. If Franchisee or Franchisee's manager fails the retake of the training course, the franchise will be terminated. \$10,000 of the initial franchise fee will be deemed fully earned and non-refundable in consideration of administrative and other expenses incurred by Franchisor in granting the franchise and for our lost or deferred opportunity to sell the franchise to other potential Franchisees. If Franchisee or Franchisee's manager fails to satisfactorily complete the initial training course, the remaining \$10,000 will be refunded to Franchisee if the full Initial Fee was paid upon signing this Franchise Agreement.

3.6.4 Failing On-Going Training

From time to time Franchisor may provide refresher training programs or seminars and may require that the Franchisee or their managers and crew leaders attend and complete them to Franchisor's exclusive satisfaction. These programs and seminars will be held at locations Franchisor designates. When Franchisor determines that it is in Franchisee's best interest to take additional training courses, Franchisor will notify Franchisee either via the Franchisee Forum intranet system, by e-mail or in writing. Franchisee will have up to six (6) months to schedule this required training. If Franchisee fails to schedule the required training, Franchisee will be notified that Franchisee is in default of this Agreement. Franchisee will then have thirty (30) calendar days to cure this default. If Franchisee fails an on-going training course, Franchisee may be deemed in default and Franchisee will have thirty (30) calendar days to cure this default by re-taking and passing the required course or courses.

3.6.5 On-Going Training and Associated Costs

Franchisee will be exclusively responsible for paying any and all fees, charges, travel, living and other expenses and compensation incurred by Franchisee and their managers and crew leaders in connection with attending these programs, seminars and courses including any registration fee that may be charged by Franchisor or the training providers.

3.7 Confidential Operations Manual And Specifications For Initial And On-Going Equipment, Inventory And Supplies

Our industry is highly competitive. Continuous efforts to maintain, update and improve the System are essential. The developments Franchisor will make for the benefit of the System as a whole are contemplated throughout the term of this Agreement. The continuous development of the System in this manner is an important and beneficial aspect of the relationship Franchisee wants to have with Franchisor. Franchisor agrees to provide Franchisee with one password to access the loaned copy of The Car Wash Guys Confidential Operations Manual once Franchisee has paid to Franchisor the Initial Fee, in full. The Confidential Operations Manual contains the System, including specifications, standards, operating procedures, accounting and bookkeeping methods, marketing ideas, inventory requirements and control techniques, wash unit plans and specifications, equipment and sign requirements, public relations and other rules that Franchisor may prescribe from time to time. The Confidential Operations Manual is and will remain confidential and Franchisor's exclusive property. Franchisee will not disclose, copy or duplicate any part of the Confidential Operations Manual for any reason.

Franchisor develops minimum requirements for wash products, chemicals, merchandise, inventory, supplies, stationary, business forms, advertising, decor, wash unit plans and specifications, materials, equipment and signs, among other things. These requirements are outlined in the Confidential Operations Manual. Franchisee will purchase all wash products and inventory items specified in the Confidential Operations Manual. Franchisor may amend the Confidential Operations Manual, including changes which may affect minimum requirements for the franchise operations. Franchisee will strictly adhere to the requirements of the Confidential Operations Manual as Franchisor amends it from time to time. Franchisee will implement immediately all changes at Franchisee's cost, unless Franchisor otherwise specifies. Franchisor reasonably may restrict Franchisee from producing, stocking, and selling certain items and goods, from time to time, as specified in the Confidential Operations Manual.

Franchisee may purchase some wash equipment, inventory, and supply items from Franchisor, if offered, at Franchisor's then current prices. If Franchisee desires to purchase any items from Franchisor, payment arrangements must be made when Franchisee places their order. The items Franchisor may offer include among other things equipment, merchandise and supplies that bear the Service Marks. Franchisee must purchase all wash products, supplies, chemicals and inventory items from Franchisor, if offered, or suppliers Franchisor approves from time to time.

Franchisor will not be liable to Franchisee if Franchisor is unable to deliver equipment, inventory, chemicals or supply items to Franchisee because of any loss, damage, or delay caused by strikes, riots, fire, insurrection, war, elements, embargoes, national or local holidays, failure of carriers, inability to obtain transportation facilities, forces majeure, acts of God or of the public enemy, or any other cause beyond Franchisor's control.

Franchisee must purchase all equipment, chemicals, products, supplies and materials required for the operation of the Franchise from manufacturers, vendors, suppliers or distributors approved by Franchisor. All specifications that Franchisor requires of Franchisee and lists of approved vendors and suppliers will be included in the Confidential Operations Manual and the Franchisee Forum intranet system. Franchisor will use their best judgment to set and modify specifications in order to maintain the integrity and quality of the franchise system.

Additional car wash trucks/units and related equipment must be purchased through Franchisor, if offered, or from a list of approved vendors. Franchisee understands that the prices of such equipment bought from

Franchisor may be raised or lowered by Franchisor from time to time due to increases or decreases in prices by Franchisor's vendors. Franchisee further understands that items Franchisee buys from vendors might also change in price.

Upon advance written request, Franchisee may request Franchisor approval to obtain equipment, chemicals, products, supplies or materials from sources that Franchisor has not previously approved. Franchisor requests that Franchisee seek out manufacturers, vendors, suppliers and distributors in their Marketing Area to continually expand the approved vendors and products available to franchisees systemwide. Franchisor additionally requests that Franchisee seek out new services, concepts, technologies, materials and methods from their Marketing Area that can be introduced to continually update, improve and expand the System and keep all franchisees systemwide on the leading edge.

Franchisor may require Franchisee to give Franchisor sufficient information, photographs, MSDS sheets, drawings, samples, and other data to allow Franchisor to determine whether the items from these other sources meet Franchisor specifications and standards, as established from time to time. These specifications and standards will relate to quality, texture, composition, absorbency, strength, finish and appearance, and the suppliers' capacity and facility to supply Franchisee's needs in the quantities, at the times, and with the reliability necessary for efficient operation. Franchisor may require that samples from any supplier be delivered to a designated independent testing laboratory for testing prior to approval and use. Franchisee will reimburse Franchisor for the actual cost of the tests. Franchisor will license any supplier, that can meet or exceed Franchisor quality control and confidential formula requirements and standards, for a reasonable license fee, to produce and deliver products to Franchisee but to no other person.

Franchisor confidential manufacturing requirements, equipment, designs, systems and formulas will be disclosed to potential suppliers only after Franchisor has received reasonable evidence that the proposed supplier is trustworthy and reputable; has the capacity to consistently adhere to Franchisor standards, requirements and testing procedures; will maintain the confidentiality of the designs, systems and formulas; and will adequately supply Franchisee's reasonable needs. Franchisor will not unreasonably withhold approval of a supplier Franchisee proposes. Franchisor will notify Franchisee in writing of the approval or disapproval of any supplier Franchisee proposes.

From time to time Franchisor or their agents may inspect any approved manufacturer's, supplier's or distributor's facilities and products to assure proper production, processing, packaging, storing, and transportation. Permission for inspection will be a condition of Franchisor's continued approval of any manufacturer, supplier or distributor. Should Franchisor determine from any inspection that a manufacturer, supplier or distributor fails to meet Franchisor's specifications and standards, Franchisor will give written notice describing this failure to Franchisee and to the manufacturer, supplier or distributor, together with a notice that unless the failure or deficiency is corrected within thirty (30) days, the manufacturer, supplier or distributor will no longer be approved.

All initial transactions with vendors must be negotiated by Franchisee prior to the opening of the Franchised Business. Franchisee must purchase the required items through Franchisor's approved vendors and sources, have taken receipt of, installed in Franchisee's mobile car wash truck/unit and have fully operational all required items within one hundred thirty-five (135) calendar days of signing the Franchise Agreement. Franchisee will find all specifications for the initial equipment in the Confidential Operations Manual and the Franchisee Forum intranet system. If Franchisee does not have all required equipment ready within one hundred thirty-five (135) calendar days due to circumstances beyond Franchisee's control, Franchisee agrees to borrow a loaner unit to start the Franchised Business if one is available and Franchisor offers it to Franchisee.

Thereafter, Franchisee must continually operate the Franchised Business as a full-time business enterprise.

Franchisee understands that both Franchisee and Franchisor may be allowed more than sixty (60) days in case of unforeseen problems with delivery. Franchisee may delay delivery time and subsequently the length of time to the opening of their Franchised Business due to Franchisee's inability to secure financing in a reasonable time. If Franchisee is delayed in commencing business operations for causes reasonably beyond the control of Franchisee, then the time for performance by Franchisee will be extended for a period equivalent to the time of the delay.

If this commencement of operation obligation is not fulfilled, Franchisor may terminate this Agreement.

Franchisee acknowledges the exclusive right, title and interest of Franchisor in and to the Marks. Franchisee agrees that the Service Marks, Confidential Operations Manual, and System are Franchisor's sole and exclusive property. Nothing in this Agreement or any other agreement will give Franchisee or others any right, title, or interest whatsoever in or to the Service Marks, Confidential Operations Manual, or System as it exists or as it is developed. Franchisee's license to use the Service Marks is non-exclusive. Franchisor, in its sole discretion, may operate under the Service Marks and may grant licenses to others to use the Service Marks on any terms and conditions Franchisor deems appropriate. Franchisor may make reasonable efforts to protect Franchisee's rights to use the Service Marks. In those states and nations where applicable, Franchisee agrees to

Franchisee will immediately notify Franchisor of any infringement of, or challenge to, their use of the Service Marks. Franchisor will have sole discretion to take or not to take action, as Franchisor deems appropriate. If Franchisor undertakes the defense or prosecution of any litigation involving Franchisee or any litigation involving the Service Marks, Franchisee agree to execute any and all documents and to do all acts and things, that in the opinion of Franchisor's counsel are necessary or advisable to carry out the defense or prosecution. This may be done either in Franchisor's name or in Franchisee's name, as Franchisor will elect. Franchisee will modify or discontinue use of any franchise names or Service Marks, or will use one or more substitute names or marks, if Franchisor so directs in writing at any time. Franchisor's sole obligation in this event will be to reimburse Franchisee for their tangible costs in complying with Franchisor's direction (i.e., cost of changing signs, stationery, etc.). Under no circumstances will Franchisor be liable to Franchisee for any other damages, costs, losses, rights, or detriments related to any modification, discontinuance, or substitution. All obligations or requirements imposed upon Franchisee relating to the Service Marks will apply with equal force to any modified or substituted names or marks.

Franchisee will not contest, directly or indirectly: Franchisor's ownership, title, right, or interest in the Service Marks, the Confidential Operations Manual, the Confidential Marketing Manuals or the System; or Franchisor's exclusive right to register, use, or license others to use the Service Marks, Confidential Operations Manual, the Confidential Marketing Manuals and System. Franchisee will not advertise or use the Service Marks without following Franchisor's then current guidelines and requirements. These may include, but will not be limited to, the placement of appropriate (C) or (R) copyright and registration marks, or the designations TM or SM, where applicable.

Franchisee also acknowledges that Franchisee has only a license to use such rights and marks according to the provisions of this Franchise Agreement and in strict accordance with the standards, specifications and procedures as outlined in the Confidential Operations Manual. Franchisee will not take any action contesting or impairing the exclusive right, title and interest of the Franchisor's in any trademarks, trade names, service marks, patents and copyrights. Franchisee will not represent that Franchisee has any ownership rights in the Marks and Franchisee acknowledges that use of the Marks will not create in its favor any right, title or interest in or to the Marks, but that all uses will inure to the benefit of the Franchisor. Neither Franchisee nor any officer, director, agent or employee of Franchisee shall in any way register or attempt to register the Marks, whether within or outside the Marketing Area, with any government or any other authority, nor dispute or impugn the validity of the Marks, any registration or application to register any of the Marks, Franchisor's rights to the Marks, or Franchisor's rights to use Marks or grant licenses to others to use the Marks.

Franchisee must affix and change trademark notices and indications of registration when and as instructed by Franchisor. Franchisee must assist Franchisor to the extent reasonable requested in obtaining or maintaining any registration of any of the Marks to the extent reasonably requested, including by providing advertising samples.

3.11.2 Display of Name

At the times during the term of this Agreement, Franchisee will use the Marks, in a form and manner approved by Franchisor, in all advertising promotions and communications involving the Franchised Business, including telephone yellow pages listings, Websites, signs, banners, business cards, stationary, promotional and advertising materials, forms, contracts and all other materials which identify the Franchised Business. Franchisee and their shareholders, officers, agents, partners, members or managers will not form or participate in the formation of any company, firm, corporation, or other entity having a name containing the words of the Service Marks. Franchisee may not combine or associate with any name or symbol of the Service Marks with any other name or word in any advertising or sign. The Service Marks must be used in exact conformity with specifications Franchisor sets in the Confidential Operations Manual.

All uses of the Marks by Franchisee must be prominently displayed and must clearly state that Franchisee is independently owned and operated. In the event that Franchisee is expressly permitted by Section 3.3 to own any business(es) other than the Franchised Business unless such business is also a franchise offered by Franchisor, neither Franchisee nor the personnel engaged in such other business(es) may conduct the same under any of the Marks or color schemes of the Franchised Business, or operate in any manner so as to cause confusion of origin or sponsorship between The Car Wash Guys related services and products and the services or products offered or rendered by such other business(es).

3.11.3 Name Infringement

Franchisee will promptly notify Franchisor of any unauthorized use of any of the Marks or any colorable variation thereof, by third parties. Franchisee will promptly notify Franchisor of any claim, demand or suit against Franchisee based upon or arising in connection with Franchisee's use of any of the Marks. Franchisee acknowledges that Franchisee has no authority to defend or prosecute any action relating to the Marks, and that Franchisor, at its sole discretion, may elect to defend or prosecute any action relating to the Marks. In the event that Franchisor undertakes the defense or prosecution of any litigation relating to the Marks, Franchisee will execute any and all documents and do all acts and things which may be necessary or of aid, at the determination of Franchisor's legal counsel and at the expense of Franchisor, to carry out the litigation.

3.12 Confidential Operations Manual

3.12.1 Updating Manual And System

Franchisee acknowledges that the Service Marks, Confidential Operations Manual, and System, including any future amendments or modifications to them, have substantial value, and that the conditions, restrictions, covenants not to compete, and other limitations imposed by this Agreement are necessary, equitable, and reasonable for the general benefit of Franchisee, Franchisor, and others enjoying any lawful economic interest in the Service Marks, Confidential Operations Manual, and System.

Franchisor may change or modify any part of the Service Marks, Confidential Operations Manual, or System from time to time at its sole discretion. These needs may result from the peculiarities of a particular site or location, density of population, business potential, populations of trade area, existing business practices, requirements of local law or local customers, zoning requirements, daytime population, landlord requirements or any other condition which Franchisor deems to be important to the successful operation of the franchisee's business. From time to time, Franchisor may allow certain franchisees to depart from normal system standards and routines to experiment with or test new products, equipment, designs, and procedures. In no event will any variance or testing be deemed a waiver of any of the Franchisor's rights, or an excuse for Franchisee to not perform any of their duties under this Franchise Agreement. Franchisor may require Franchisee at any time to commence full compliance with the Confidential Operations Manual and the System. Franchisor will not be required to grant any variance to Franchisee under any circumstances.

In order to protect the reputation and the goodwill associated with the Franchisor's trademarks and to maintain the Franchisor's uniform standards of quality and operations, Franchisee must conduct their Franchised Business in strict accordance with the Confidential Operations Manual, as amended. Franchisee will update their manual via the Franchisee Forum intranet system, electronic mail, diskettes, CD-ROM's, zip disks or other medium for their computer immediately upon receipt or insert new pages in their loaned copy of the Confidential Operations Manual. Any subsequently revised pages or old diskettes must be returned to Franchisor or completely shredded, burned up or destroyed immediately to insure confidentiality. Franchisor will advise Franchisee of what to do after each revision.

Franchisor may, at its sole discretion, revise any or all contents of the Confidential Operations Manual to convey to Franchisee any advancements and new developments in sales, marketing, operational techniques and other items and procedures relevant to the operation of the Franchised Business. There will be no additional costs associated with updating Franchisee's loaned copy of the Confidential Operations Manual. This remains a service funded by Franchisee's on-going royalty fees.

3.12.2 On Loan to Franchisee

Franchisee copy of the Confidential Operations Manual is on loan to Franchisee for the duration of this Agreement. It is not Franchisee's to keep. Franchisee must return it to Franchisor upon termination, nonrenewal, transfer or expiration of this Agreement. If Franchisee fails to return it, Franchisee agrees to pay Franchisor for any expenses incurred by Franchisor, including all attorneys' fees, to retrieve the Confidential Operations Manual. At all times Franchisee will insure that their copy of the Confidential Operations Manual and any other manuals and software given to Franchisee are kept current and up to date. If of any dispute as to the contents of the Confidential Operations Manual, the terms of Franchisor's master copies maintained at Franchisor's principal place of business will be controlling.

Franchisee will not resell The Car Wash Guys or Franchisor's supplies.

3.14 Equipment and Supplies

In the event Franchisee desires Franchisor approval of a particular supplier, equipment or supply item, Franchisee will provide the documentation contemplated by Section 4.6 at its sole expense and will reimburse Franchisor for costs of further testing as contemplated by Section 4.6. Franchisee may not enter into or renew any agreement with a third-party vendor of services, supplies or equipment if such agreement requires that Franchisee disclose information regarding the identity of its customers or the Services performed by Franchisee for any of its customers. If, as of the date of this Agreement, Franchisee is already a party to an agreement of the sort described in the preceding sentence, Franchisee will not be deemed to be in violation of any of the provisions of this Agreement by virtue thereof for the remainder of the current term of such agreement.

To obtain approval, Franchisee must submit a copy of the proposed advertising to Franchisor for review. Notwithstanding the foregoing, Franchisor may from time to time, in its reasonable discretion, provide Franchisee with such marketing programs and brochures developed by Franchisor as Franchisor deems appropriate for use in the Marketing Area. Franchisee may use such of Franchisor's marketing materials in connection with Franchisee's local advertising in accordance with Franchisor's advertising standards and without Franchisor's prior approval unless Franchisor sends written notice to Franchisee that the

use of such marketing material is thereafter prohibited. Except as permitted under Section 3.15 above, Franchisor's approval will not be required and Franchisor will not review any portion of the materials referenced in this Section 3.16, with respect to pricing or the other terms of sale of the Services to be provided by Franchisee.

Franchisee will furnish Franchisor with unaudited financial statements for the Franchised Business within ninety (90) calendar days of the end of each calendar year signed by the Franchisee, if the Franchisee is an individual, or the majority partner, shareholder or member of the Franchisee if the Franchisee is a partnership, corporation or limited liability company, which shall include an income statement and balance sheet. If any audit shows that the Franchisee has underpaid any royalties or other amounts due to Franchisor, Franchisee must immediately make payment to Franchisor to correct the underpayment. If the underpayment exceeds two percent (2%) of the total royalties, Promotional Fund contributions or other amounts due in any twelve (12) month period, which includes the date when the underpayment occurred, Franchisee must also pay or reimburse Franchisor for the costs of conducting the audit, in addition to any Late Payment owed to Franchisor.

3.18 Maintenance and Repair

3.18.1 Maintenance and Appearance of Business Location

Franchisee must maintain the condition and appearance of the Franchised Business in a manner consistent with The Car Wash Guys System image. Franchisee will perform all maintenance that is reasonably required from time to time to maintain the condition, appearance and efficient operation of the Franchised Business, including replacement of worn-out or obsolete fixtures, equipment, signs, supplies and inventory, repair of the interior and exterior of the premises and periodic cleaning and decorating. Franchisee agrees to keep all tangible items used in the Franchised Business in excellent repair or fix any item which is worn, breaks, becomes obsolete or mechanically impaired. All items replaced or repaired shall be done so with strict accordance to the standards, specifications and procedures outlines in the loaned copy of the Confidential Operations Manual.

3.19 Proprietary And Confidential Information

The System includes valuable confidential information. Franchisee agrees to not communicate or divulge the contents of our Confidential Operations Manuals, our Confidential Marketing Manuals, our Franchisee Forum intranet system or any other information related to the System or to the operation of the Franchise or The Car Wash Guys or the WASH GUY.COM franchise system to any person or entity except those Franchisor authorizes in writing to receive the information. Franchisee agrees that these contents and information are confidential. They are Franchisor's exclusive property, and Franchisee may only use them in the Franchise subject to the provisions and duration of this Franchise Agreement. Franchisee agrees to fully and strictly adhere to all security procedures Franchisor prescribes for maintaining the secrecy of the information. Franchisee agrees to disclose information to their employees only to the extent necessary to perform the franchise business.

Franchisee will assure that Franchisee and all their agents, employees, consultants, partners, owners, officers, directors, and shareholders and other persons in their control, to whom any information is communicated, keep, preserve, and protect all confidential information.

Franchisee acknowledges that during the term of this Franchise Agreement, Franchisee will have access to, become acquainted with and have disclosed to Franchisee by Franchisor confidential information, programs, devices, methods, techniques and processes that are not generally known to the public pertaining to the promotion, marketing, operation and management of a business that offers the cleaning, washing and waxing of automobiles and fleet vehicle washing including the information contained in the Confidential Operations Manual and on the Franchisee Forum intranet system.

Franchisee will not, during the term of this Franchise Agreement or thereafter, communicate, fax, e-mail, post on an internet electronic bulletin board, divulge or use for

the benefit or any other person, persons, partnerships, associations, companies or corporations any confidential or proprietary information, knowledge or know-how concerning our methods of operation of the franchised business Franchisor has licensed to Franchisee or any information Franchisor has communicated to Franchisee in written, verbal or electronic form, including intranet passwords, for the operation of the Franchised Business.

3.20 Covenants Not To Compete

Franchisee specifically acknowledges that, pursuant to the Franchise Agreement, Franchisee will receive valuable specialized and confidential information, including information regarding the operational, sales, promotional and marketing methods and techniques of Franchisors and the System. Franchisee agrees not to copy, download to internet, intranet, modem, fax, e-mail, mail or send any confidential material or divulge any material directly or indirectly to any other person or enterprise outside of this System. Franchisees agree that, during the term of the Franchise Agreement, except as otherwise approved in writing by Franchisor, Franchisee must not, either directly or indirectly, divert or attempt to divert any business to any competitor, by direct or indirect inducement or otherwise, or do or perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with the Franchisor's proprietary marks and System.

Franchisee specifically agrees that, except as otherwise approved in writing by Franchisor, Franchisee will not, during the term of the Franchise Agreement and for a continuous uninterrupted two (2) year period commencing upon the expiration or termination of the Franchise Agreement, regardless of the cause of termination, either directly or indirectly for Franchisee or on behalf of or in conjunction with any other person, partnership, corporation or limited liability company, own, maintain, engage in, participate in or have any interest in the operation of any business that offers products, that are essentially the same as, or substantially similar to, the products, Core Services or Optional Services that are part of The Car Wash Guys or the WASH GUY.COM System, a predecessor, sister or co-branding company of Franchisors except other franchises offered by Franchisor (any business carrying on such activities, being called a "Competing Business") which is, or is intended to be, located anywhere in the country of the Franchisee's Marketing Area.

Franchisee specifically agrees not to compete with any other franchisees or establish customers in franchisee's respective Marketing Areas or within thirty-five (35) miles for two (2) years from expiration or termination of the Franchise Agreement.

These covenants against competition will not apply to ownership by Franchisee of less than a five percent (5%) beneficial interest in the outstanding equity securities of any publicly held corporation even if that corporation is in competition with Franchisor.

Franchisee specifically agrees that during the term of the Franchise Agreement and for a continuous uninterrupted two (2) year period commencing upon the expiration or termination of the Franchise Agreement, regardless of the cause of termination, Franchisee will not, either directly or indirectly, on Franchisee's own behalf or in the service or on behalf of others, solicit, divert, or hire away, or attempt to solicit, divert, or hire away, to the Franchised Business or any Competing Business, any person employed by the Franchisor, whether or not such employee is a full-time or temporary employee of the Franchisor, whether or not such employment was pursuant to written agreement and whether or not such employment was for a determined period or was "at will." Similarly, Franchisee will not solicit, divert, or hire away, or attempt to solicit, divert, or hire away, to the Franchised Business or any Competing Business, any such employee of any licensee or Franchisee of the Franchisor, without the prior written consent of such licensee or Franchisee.

Franchisee expressly agrees that the existence of any claims Franchisee may have will not constitute a defense to the enforcement by Franchisor of the covenants described

above. Franchisee will pay all costs and expenses (including attorneys' fees) incurred by Franchisor and Franchisee in connection with the enforcement of these covenants.

Franchisee acknowledges that any violation of the covenants not to compete would result in irreparable injury to Franchisor for which no adequate remedy at law may be available and Franchisee accordingly consents to the issuance of an injunction prohibiting any conduct by Franchisee in violation of the terms of the covenants not to compete.

Franchisee agrees that each of the foregoing covenants will be constructed as independent of any other covenant or provision. If all, parts or any portion of a covenant in the Franchise Agreement is held unreasonable or unenforceable by a court or agency having valid jurisdiction in an unappealed final decision to which Franchisor is a party, Franchisee expressly agrees to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of this item.

Each of these covenants is a separate and independent covenant in each of the separate countries and states in the United States in which Franchisor transacts business. To the extent that any such covenant may be determined to be judicially unenforceable in any country or state, that covenant will not be affected with respect to any other country or state.

Franchisee acknowledges that upon violation of any of these covenants, it will be difficult to determine the resulting damages to the Franchisor and, in addition to any other remedies it may have, Franchisor will be entitled to make application in a court of competent jurisdiction for temporary and permanent injunctive relief without the necessity of proving actual damages. When actual damages are tabulated, Franchisee agrees to pay those damages plus attorneys' fees incurred by both Franchisee and Franchisor immediately. If these monies are not paid within thirty (30) days, they will at that time begin accruing interest at the rate of twelve percent (12%) per annum which Franchisee is also obligated to pay.

If Franchisee is operating as a partnership, corporation, limited liability company or other legal entity, each partner, shareholder, member or other owner of Franchisee will execute and deliver in favor of Franchisor a non-compete covenant in form and substance satisfactory to Franchisor containing provisions substantially the same as those contained in this Section 3.20.

3.21 Insurance

3.21.1 Limits of Liability

Prior to the commencement of any operations under this Agreement, Franchisee must maintain, at their sole expense, a business liability, comprehensive and completed operations insurance policy or policies in accordance with standards and specifications set forth in the Confidential Operations Manual which must include at a minimum the following coverage:

- (a) Comprehensive general liability insurance, in the amount of \$100,000 bodily injury per occurrence and \$50,000 property damage per occurrence;
- (b) Vehicle insurance in the amount of \$100,000 single limit, including comprehensive and collision;
- (c) Worker's Compensation and Employer's liability insurance (if Franchisee has employees); and

(d) Equipment insurance for the value of all The Car Wash Guys equipment.

If Franchisee finances the equipment, the lending institution may also require Franchisee to maintain fire/theft/comprehensive insurance for the value of that equipment.

3.21.2 Additional Insured

Franchisor shall be named as an additional insured under all insurance policies, as its interests may appear, and contain a waiver by the carrier of all subrogation rights against Franchisor. Maintenance of insurance under this paragraph shall not relieve Franchisee of liability under the default provisions set forth in this Agreement.

3.21.3 Other Requirements

Franchisor may, at its discretion, change the required coverage and the limits of liability for Franchisee's insurance during the term of this Agreement. Franchisor may require Franchisee to increase the minimum limits of coverage to keep pace with regular business practice and prudent insurance custom. In the event Franchisor does this, Franchisee may be paying a higher or lower premium.

The insurance will not be limited in any way because of any insurance Franchisor maintains. The insurance will not be subject to cancellation except upon twenty (20) days' written notice to Franchisor. Certificates of Franchise's insurance policies will be kept on deposit with Franchisor. Maintenance of the required insurance will not diminish Franchisee's liability to Franchisor under the indemnities contained in this Agreement.

3.22 Signage

Franchisor's current fee for extraordinary assistance is U.S \$250 per day, plus all related expenses and may be increased by Franchisor.

4.5 Proprietary Products and Proprietary Equipment

Proprietary Products and Proprietary Equipment ("Proprietary Products") are those products and equipment that serve to establish the superior quality of The Car Wash Guys System and for which no substitute is available that is as effective in accomplishing the product's or equipment's intended purpose. Franchisor, if offered, or person designated by Franchisor (which may be an affiliate of Franchisor) will sell to the Franchisee any Proprietary Products which Franchisor may hereafter develop or obtain. The sale by Franchisor or such other person of such Proprietary Products or equipment to Franchisee will include a commercially reasonable markup. Franchisee may not become a wholesaler or distributor of Proprietary Products and may not re-sell Proprietary Products, except in connection with the provision of Services by Franchisee.

4.6 Non-Proprietary Equipment and Supplies

Franchisee will have the right to purchase equipment and supply items, other than Proprietary Products, for use in providing Services, from any responsible source; provided, however, that Franchisor reserves the right to approve suppliers, equipment and supply items. Independent suppliers will be approved by Franchisor if their products meet the reasonable quality standards established by Franchisor. In order to obtain approval of any such proposed alternative equipment or supply item, Franchisee will provide Franchisor with documentation from a source independent of Franchisee or the proposed supplier which demonstrates, to the reasonable satisfaction of Franchisor, that the proposed alternative equipment or supply item performs as well as the item to be replaced. Notwithstanding such documentation, Franchisor

will have the right to test further any such proposed equipment or supply item and Franchisor will be reimbursed by Franchisee for the costs of testing such items. In addition, Franchisor reserves the right at any time to require substitution of newly developed Proprietary Products for non-proprietary items, which would then be sold to Franchisee in accordance with Section 4.6. The sale by Franchisor, if offered, of non-proprietary equipment and supplies to Franchisee shall include a commercially reasonable markup.

In the event that there is more than one Franchisee licensed by Franchisor in the Marketing Area, Franchisor may allocate opportunities to service National or International Accounts between such Franchisees, as Franchisor in its sole discretion deems appropriate. If, for any reason, Franchisee elects not to service a National or International Account that is offered to Franchisee, Franchisor may, in its sole discretion, service such account or appoint any other party to service such account.

4.9 No Customer Leads

Franchisor has no obligation to provide Franchisee with leads for potential customers.

5. TRANSFERABILITY

5.1 Transfer by Franchisor

There are no restrictions on the right of Franchisor to sell or assign this Agreement in whole or in part; provided, however, that Franchisor will not assign or otherwise transfer this Agreement unless the assignee agrees to assume Franchisor's obligations hereunder.

5.2 Transfer by Franchisee

5.2.1 Individual

If Franchisee is an individual, Franchisee may not directly or indirectly sell, pledge, assign, transfer or convey any interest in this Agreement or in the Franchised Business without the prior written consent of Franchisor, which consent will not be unreasonably withheld.

5.2.2 Corporation

If Franchisee is a corporation, then any issuance, redemption or transfer of the equity or voting securities of the corporation, or any disposition of the assets of the corporation in one transaction or in a series of transactions which, in the aggregate, results in either (i) more than a twenty-five percent (25%) change in the beneficial ownership of the corporation, or (ii) a change in the voting control of the corporation, is a transfer which requires the consent of Franchisor. The bylaws of the corporation

and all share certificates evidencing ownership of the corporation must contain the following provision:

“The transfer of stock in this corporation is subject to the restrictive provisions of a Franchise Agreement with WASH GUY.COM, Inc. Reference is made to the Franchise Agreement for all particulars.”

5.2.3 Limited Partnership or Limited Liability Company

If Franchisee is a general or limited partnership or a limited liability company, then the admission of a new partner or member, or the redemption, purchase, liquidation or transfer of a partnership or limited liability company membership interest or any disposition of the assets of the partnership or company, in one transaction or in a series of transactions which, in the aggregate, result in either (i) more than a twenty-five percent (25%) change in the beneficial ownership of the corporation, or (ii) a change in the voting control of the partnership or company, is a transfer which requires the consent of Franchisor. The partnership agreement or limited liability company operating agreement must contain the following provision:

“The transfer of a legal or beneficial interest in the (partnership) (limited liability company) is subject to the restrictive provisions of a Franchise Agreement with WASH GUY.COM, Inc. Reference is made to the Franchise Agreement for all particulars.”

5.2.4 Conditions to Transfer

In connection with any transfer provided for above (which requires Franchisee’s consent), the following requirements must be met to the full satisfaction of Franchisor as a condition to any transfer:

- (a) The proposed transferee or its principals must meet Franchisor’s reasonable requirements for experience, net worth and character, as applied by Franchisor on a nondiscriminatory basis in selecting new Franchisees and must have or obtain before transfer all licenses required by law for operation of the Franchised Business.
- (b) The proposed transferee or its designee must attend and satisfactorily complete Franchisor’s initial training.
- (c) The proposed transferee (and each partner, member or shareholder) must have duly executed an agreement to be bound by, and to assume and perform all the duties of the Franchisee under, the Agreement (including, in the case of such partners, members or shareholders, the covenants not to compete required by Section 3.20).
- (d) All maintenance, repairs and renovations required to bring the Franchisee’s premises into compliance with Franchisor’s standards must have been completed. All maintenance, repairs and upgrades required to bring the Franchisee’s mobile units and equipment into compliance with Franchisor’s standards must have been completed.
- (e) All monetary obligations of Franchisee under this Franchise Agreement are fully paid and Franchisee and each of its partners, members, shareholders, officers and directors must execute a general release of any and all claims

against Franchisor and its affiliates and its predecessor, sister or co-brand companies and their shareholders, officers, directors, employees, agents and their spouses.

- (f) Franchisee agrees to remain liable for all obligations to Franchisor in connection with the Franchised Business prior to the effective date of the transfer and must execute any and all instruments reasonably requested by Franchisor to evidence such liability.
- (g) If the transfer results in more than a fifty percent (50%) change in the beneficial ownership of the Franchised Business, then the transferee must execute the then current form of the Franchise Agreement, except that the initial term will be the same as the remaining term of the original Franchise Agreement.
- (h) The transfer fee specified in Section 2.4 must have been paid in full.
- (i) Franchisee must offer the Franchised Business to Franchisor in writing for the right of first purchase. (See Section 5.5 of this Franchise Agreement.)

Before the effective date of a transfer Franchisor approves:

- (a) Franchisee must agree to remain bound by the covenants in this Franchise Agreement to not compete against Franchisor and to not disclose confidential information.
- (b) Franchisee will pay all ascertained or liquidated debts concerning the Franchise.
- (c) Franchisee may not be in default under this Franchise Agreement or any other agreement between the parties.
- (d) Franchisee will pay Franchisor or a registered and approved business broker, which Franchisor may have at the time of the transfer, a ten (10) percent commission on the gross transfer price (excluding the price of real property), if Franchisor obtains the transferee for Franchisee.

Any transfer by Franchisee must be approved by Franchisor in writing. The transferee must execute the standard form Franchise Agreement then being offered to new System Franchisees and such other ancillary agreements as Franchisor may require for the Franchised Business, which agreements will supersede the original Franchise Agreement in all respects and the terms of which agreements may differ from the terms of this Franchise Agreement; provided, however, that the transferee will not be required to pay the \$20,000 initial franchise fee and the Marketing Area provided for in this Agreement will remain the same.

5.2.5 Effect of Transfer

No sale, assignment, transfer, conveyance, encumbrance or gift of any interest in this Agreement or in the Franchised Business will relieve Franchisee, or the shareholders, members or partners participating in any transfer, of the confidentiality or noncompetition provisions of this Agreement.

5.2.6 Prohibited Transfers

For purposes of this Section 5.2, without limiting the generality of the foregoing, Franchisor's withholding of consent will be considered reasonable if the proposed sale, assignment, transfer or conveyance is to an individual, company, or business entity that Franchisor deems in Franchisor's sole opinion to be a competitor of Franchisors or a competitor of any affiliate of Franchisors or a competitor of any sister or co-brand company of Franchisors or a competitor of a vendor of Franchisors, another franchisor, another sub-franchisor, master franchise of another system or a Franchisee of another system which has an affiliate company that is a competitor of Franchisors. Any purported assignment without the prior written consent of Franchisor will be null and void and will constitute a material default under this Agreement.

5.3 Assignment to Corporation or Limited Liability Company

If Franchisee is a partnership or individual and hereafter desires to conduct the Franchised Business in an incorporated or limited liability company form, Franchisor will not unreasonably withhold its consent to the transfer of this Agreement and Franchisee's interest herein to any corporation or limited liability company formed for that purpose; provided that Franchisee and such corporation or company must, prior to such transfer, satisfy such reasonable requirements as Franchisor shall impose, which may include, without limitation, the following:

- (a) Franchisee or its partners will at all times be the record and/or beneficial owner of, and will have, by law or by written agreement satisfactory to Franchisor, voting control of, not less than fifty-one percent (51%) of the issued and outstanding shares or membership interests of each class of the capital stock or membership interests of such corporation or company;
- (b) No other person or entity, except members of Franchisee's or its partners' respective immediate families or trusts for the benefit of such family members, may own or have any right to acquire any capital stock, membership interests or other securities of such corporation or company;
- (c) The form and content of the articles or certificate of incorporation, organization or formation of such corporation or company and by-laws of any such corporation or operating agreement of any such company must contain provisions enforceable under applicable law restricting the issuance and transfer of capital stock, membership interests or securities of the corporation or company to such extent as Franchisor shall reasonably require;
- (d) Franchisor must have been furnished in writing the names and address of all existing or prospective shareholders or members of the corporation or company and Franchisee or its partners and (if requested by Franchisor) each such shareholder or member, or prospective shareholder or member, must have guaranteed in writing (in form and substance satisfactory to Franchisor) the performance by the corporation or company of the obligations of the Franchisee under this Agreement; and

- (e) Each shareholder or member must have executed and delivered to Franchisor a non-competition covenant in form and substance satisfactory to Franchisor, containing the covenants not to compete required by Section 3.20.3 hereof.

After assignment of this Agreement to a corporation or limited liability company as above provided, or, if Franchisee is a corporation or limited liability company at the date of this Agreement, the sale, transfer, assignment or encumbrance or change in rights of any class or series of capital stock, membership interests or other securities of such corporation or company, whether by operation of law or otherwise, will be deemed a sale by Franchisee or (if a partnership) its partners or its or their interest(s) in this Agreement and will in all respects be subject to the limitations set forth in this Section 5 on the sale of Franchisee's interests in this Agreement. Any merger, consolidation or reorganization by any corporation or limited liability company having an interest in this Agreement will be deemed a sale of such interest and, unless the prior written consent of Franchisor has been obtained, will constitute a material breach hereof.

5.4 Death or Disability

Upon the death or permanent disability of the Franchisee, if the Franchisee is an individual or upon the death or disability of the majority shareholder, member or partner of Franchisee if the Franchisee is a corporation, limited liability company or a partnership, the spouse, adult children or estate will have the right to participate in the ownership of the Franchised Business under the terms of this Agreement for a period of one hundred eighty (180) calendar days from the date of death or disability. During that time, the spouse, adult child or estate must either:

- (a) satisfy all of the qualifications for a transferee or purchaser of a The Car Wash Guys franchise, except that no transfer fee or initial franchise fee will be charged; or
- (b) sell, transfer or assign the Franchised Business to a person who satisfies all of the qualifications for a transferee or purchaser of a The Car Wash Guys franchise.

In addition, during such time, Franchisor may enter the Franchised Business premises and take possession of the Franchised Business, its equipment, furniture, fixtures, records, lists and supplies and continue the operation of the Franchised Business for the benefit and account of Franchisee (after paying operating expenses, including a management fee to be established from time to time in the Confidential Operations Manual) pending the conclusion of whichever of the above options is chosen by Franchisee's spouse, adult children or estate.

5.5 Right of First Purchase

Franchisor requires Franchisee to give Franchisor the right of first purchase prior to soliciting offers from a third party if Franchisee chooses to sell their Franchised Business. Franchisee agrees to notify Franchisor in writing if Franchisee desires to sell or transfer Franchisee's interest in their Franchised Business. Franchisor must elect to exercise Franchisor's option to purchase Franchisee's Franchised Business within thirty (30) business days after Franchisor's receipt of Franchisee's written notification. If Franchisor offers Franchisee an amount that Franchisee doesn't agree to, Franchisee may try to sell to a third party. Franchisee is obligated before any transfer to a third party to make sure that they meet all criteria set forth above under the heading "Transfer by Franchisee".

5.6 Right of First Refusal

If at any time during the term of this Agreement Franchisee receives a bona fide offer to purchase the Franchised Business, which offer Franchisee is willing to accept, Franchisee must give Franchisor written notice of the terms of the offer and the name of the offeror. Franchisor may elect to purchase the Franchised Business on the same terms as contained in the offer within sixty (60) business days after Franchisor's receipt of the offer, except that in place of any non-cash consideration described in such offer, Franchisor may pay the fair market value thereof in cash. If Franchisor fails to give written notice of election or declines election within the sixty (60) business days, Franchisee may sell to the offeror on the terms offered, subject to the provisions relating to transferability as set forth on this Section 5, provided that such sale must be consummated within ninety (90) calendar days after the expiration of such sixty (60) business day period; otherwise the restrictions of this Section 5.6 shall be renewed and any sale or transfer by Franchisee of its interest in this Agreement, whether to such offeror or other individual or entity, shall again be subject to the restrictions of this Section 5.6. In the event Franchisor elects to purchase, the purchase must be completed within ninety (90) calendar days from the date of Franchisor's notice of election to purchase. For purposes of this Section 5.6, the term "fair market value" of any non-cash consideration shall mean the fair market value of such property as determined by agreement of Franchisee and Franchisor; provided, however, that if the parties are unable to reach such agreement within sixty (60) business days after Franchisor's receipt of the offer, then the fair market value of such property will be determined by one appraiser chosen by the parties, who will determine the value of such property. In the event that the parties are unable to agree upon such an appraiser, the parties agree that the United States office of the American Arbitration Association ("AAA") closest to our corporate offices will be employed to choose an appraiser and such person will determine the fair market value for these purposes. In the event the appraisal process is utilized, the party whose valuation of such property less closely approximated the value pursuant to the above-described appraisal process, measured by dollar amounts and not percentages, will pay all costs of the appraisal process. Any delay caused by such appraisal process or the parties' disagreement over the fair market value of any non-cash property will extend the period in which Franchisor is to act under this Section 5.6 by that number of calendar days equal to the period of the delay.

6. TERMINATION AND DEFAULTS

6.1 Termination by Franchisor

Franchisor may terminate the Franchise Agreement at the time indicated, if any of the following events occurs, each of which shall be deemed a default:

- (a) immediately, if the Franchisee or the Franchised Business is declared bankrupt or judicially determined to be insolvent, or all or a substantial part of the assets of the Franchisee or the Franchised Business are assigned to or for the benefit of any creditor, or the Franchisee admits its inability to pay its debts as they come due, or the Franchised Business is seized, taken over, or foreclosed by a governmental official in the exercise of his duties, or seized, taken over, or foreclosed by a creditor, lienholder or lessor, provided that a final judgement against the Franchisee remains unsatisfied for thirty (30) calendar days (unless an appeal bond has been filed), or if a levy of execution has been made upon the license granted by this Agreement or upon any property used in the Franchised Business and is not discharged within five (5) business days; or
- (b) immediately, if the Franchisee abandons the Franchised Business by failing to operate the Franchised Business for five (5) consecutive calendar days during which the Franchisee is required to operate a business under the terms of this Agreement or any shorter period after which it is not unreasonable under the facts and circumstances for Franchisor to conclude that the Franchisee does not intend to continue to operate the Franchised Business, unless such failure to operate is due to fire, flood, earthquake or other similar causes beyond the Franchisee's control; or

- (c) immediately, if the Franchisor discovers that the Franchisee has made any material misrepresentations to the Franchisor relating to the acquisition of the Franchised Business; or
- (d) immediately, if the Franchisee is a competitor of the Franchisor or a competitor of an affiliate of the Franchisor or a competitor of any sister or co-brand company of the Franchisor or a competitor of a vendor of the Franchisor. In such case the Franchisee will be terminated, the Franchisee will forfeit their mobile truck/unit(s) and their associated equipment which will be transferred to other Franchisees to assist with community fundraiser events and the Franchisee will be required to pay a misrepresentation penalty of five (5) times the franchise fee to the Franchisor that will be distributed to charitable organizations so designated by a Franchisee committee convened for just this purpose. The Franchisee will be liable to the Franchisor for reasonable attorney's fees and court costs incurred by the Franchisor in any litigation related to this matter; or

- (f) Franchisee will cease and desist from all use of the Marks and must deliver to Franchisor, or its duly authorized representative, all materials and papers upon which the Marks appear. Franchisee will not, at any time, adopt or use any word or mark which is similar to or confusing with the Marks.

- (g) Franchisee must immediately deliver to Franchisor all manuals, including, but not limited to, our Confidential Operations Manual. Franchisee must also deliver to Franchisor all documents and records that are reasonably necessary or important to the continuation of the Franchised Business including corporate newsletters and information packets and proprietary computer software and programs containing customer, industry and other data bases, lists, fax, sales, advertising and marketing material. If Franchisee fail to deliver the truck/unit(s) to the installation site within fifteen (15) days after your termination, Franchisee agree to pay the towing, transport, driver delivery time and other expenses incurred when another party delivers the truck/unit(s) to the installation site. Franchisee further agree to assume full liability for the units until sold. Franchisee can determine the asking and final selling price for each of their truck/unit(s).

6.3 Arbitration

Any controversy or claim arising out of or relating to this Agreement, other than for injunctive relief, will be settled by binding arbitration and judgement upon the award may be entered in any court having jurisdiction thereof. The arbitration must be conducted through the AAA office closest to our corporate offices in the United States and will be conducted by a panel of three arbitrators selected in accordance with the International Arbitration Rules or such other rules and regulations of the AAA applicable to international commercial matters. The arbitrators will render a decision based on, and consistent with, Arizona law and

with the facts and evidence that are properly introduced at the hearing. If there are any disputes in matters of public policy, restraint of trade, securities laws violation or any other matter which cannot be the subject of arbitration, those matters will be separated from all other disputes and those other disputes will first be settled by arbitration. After arbitration, any disputes which cannot be tried by arbitration will be brought before a court of competent jurisdiction. Should the parties be unable to separate matters which will be addressed by arbitration from those which cannot be addressed by arbitration, the allegations and positions of the parties will be brought before the arbitrators and their decision regarding the appropriateness for arbitration of the matters in controversy will be determinative and binding upon parties. Unless otherwise determined by the arbitrators, the fees and expenses of arbitration, not including attorneys' fees, will be shared equally by the parties.

Any waiver Franchisor grants will not prejudice any other rights Franchisor may have, and will be subject to Franchisor's continuing review. Franchisor may revoke any waiver, in its sole discretion, at any time and for any reason, effective upon delivery to Franchisee of ten (10) days prior written notice of revocation.

7.5 English Language

All notices, reports, financial statements and other submissions required to be made to Franchisor hereunder shall be prepared or translated into the English language at Franchisee's sole expense.

7.6 Attorney's Fees

If Franchisee become a party to any litigation concerning this Franchise Agreement by reason of any act or omission of Franchisees and not by any act or omission of the Franchisor or any act or omission of Franchisor's authorized representatives, Franchisee will be liable to Franchisor for reasonable attorneys' fees and court costs incurred by Franchisor in the litigation.

7.7 Modifications to System

Franchisor may change the System at any time and such changes shall become part of The Car Wash Guys System.

7.8 Amendment

This Agreement may be amended, modified or discharged, in whole or in part, only by a document in writing subscribed by all of the parties subscribing to this Agreement.

7.9 Remedies Cumulative

The parties are entitled to any and all remedies at law or in equity, in addition to any remedies set forth in this Agreement.

7.10 Other Franchises

The parties hereby acknowledge and agree that Franchisor may grant other franchises that are the same as or similar to the Franchised Business granted hereby within the Market Area.

7.11 Successors and Assigns

This Agreement will inure to the benefit of, and be binding upon, the parties hereto and their heirs, successors, representatives, assigns and transferees to the extent this Agreement is assignable.

7.12 Relationship of the Parties

Franchisee is and will remain an independent contractor. Franchisee and Franchisor are not and will never be considered joint venturers, partners, employees, or agents one for the other. Neither will have the power to bind nor obligate the other except as otherwise outlined in this Agreement. No representation will be made by either party to anyone that would create any apparent agency, employment, or partnership. Each will hold the other safe and harmless from each other's debts, acts, omissions, liabilities, and representations. Franchisee acknowledges that Franchisee is not in a fiduciary relationship with Franchisor.

In all public and private records, documents, relationships, and dealings, Franchisee will show that Franchisee is an independent owner of the Franchised Business. Franchisee will prominently indicate on its letterheads and business forms that Franchisee is a licensed Franchisee by using language saying that Franchisee operates an independently owned Franchise.

Franchisee will maintain employee records to show clearly that Franchisee and its employees are not employees of the Franchisor.

The liability of Franchisee's shareholders, members or partners will be both joint and several. A breach of this Agreement by Franchisee or by any shareholder, member or partner will be a breach by all of the shareholders, members or partners and also by Franchisee.

7.13 Entire Agreement

This Agreement, together with its Exhibits, expresses fully the understanding by and between the parties, and all prior understandings, agreements, commitments, conditions, warranties and representations of any kind, oral or written, as to the Franchised Business (except as to information and representations submitted by Franchisee to Franchisor in the application to purchase the Franchise) are cancelled and null, void and of no effect. Any previous matter, presently covered within this Agreement, is hereby superseded and cancelled with no further liabilities or obligations of the parties to this Agreement at the time of execution of this Agreement.

7.14 Severability

The paragraphs of this Franchise Agreement are severable and in the event any paragraph, portion, term or provision of this Franchise Agreement is held invalid or unenforceable by a court of competent jurisdiction, then the remainder of this Franchise Agreement will continue in full force and effect. If, any part of this Franchise Agreement is declared invalid, that declaration will not affect the validity of the remaining portion which will remain in full force and effect as if this Agreement had been executed with the invalid portion omitted. The parties declare their intention that they would have executed the remaining portion of this Agreement without including any part, parts, or portions which may be declared invalid in the future.

7.15 Waiver of Rights

Franchisor's failure to enforce any rights under this Franchise Agreement will not be construed as waiver of such rights. Any waiver, including waiver of default, in any one instance will not constitute a continuing waiver or a waiver in any other instance.

7.16 Other Parties

If Franchisee is a partnership, joint venture, association, corporation, limited liability company or other legal entity, then all persons who have any beneficial interest in the Franchisee must execute this Franchise Agreement where indicated below and be bound jointly and severally by all the terms and provision hereof,

and each such execution shall be a condition precedent to the grant by Franchisee of the Franchised Business.

7.17 Success of Business

7.17.1 Franchise Risk, Franchisee Ability

Franchisee acknowledges that the success of the business venture contemplated by this Agreement depends primarily upon the business acumen and ability as an independent business owner. Franchisee acknowledges that neither Franchisor nor any other person has guaranteed or warranted that Franchisee will succeed in the operation of the Franchised Business or has provided or made any sales or income projections of any kind to Franchisee. Franchisee also acknowledges that this business involves hard work and sometimes long hours, similar to most small businesses which are owner operated, and that Franchisor never promised this business was going to be easy for Franchisee, Franchisee's partners, members, officers or directors. Franchisee further acknowledges that they are in good health and able to devote their full time and best efforts in the day to day operation of the Franchised Business or that Franchisee has the business management skills necessary to successfully hire a general manager to run the day to day operation of the Franchised Business.

7.17.2 No Representations

Franchisee acknowledge that there have been no representations, promises, guarantees or warranties of any kind made by Franchisor to induce Franchisee to execute this Agreement except as specifically set forth in the Franchise Offering Circular that has been delivered to Franchisee. Franchisee also acknowledges that Franchisee has decided to enter into this Franchise Agreement with Franchisor under their own free will. Nothing on any website has induced Franchisee to enter into this Franchise Agreement. Franchisee further acknowledges that much of the material on any website contains a degree of 'corporate propaganda' and enthusiastic and aggressive consumer-oriented advertising.

7.17.3 Franchisee Read This Document

Franchisee acknowledges that they have reviewed the Franchise Agreement and the Franchise Offering Circular and have received all information which Franchisee has requested concerning the business operation and any other information which in Franchisee's opinion was necessary for Franchisee to decide whether to enter into this Agreement. Franchisee also acknowledges that they believe they have made a good decision for themselves or for their partners, their company or their corporation based upon what Franchisee believes is their ability to run and control a business of their own.

7.18 Injunctions

Nothing contained in this Franchise Agreement shall bar WASH GUY.COM, INC. or Franchisee's right to obtain specific performance of the provisions of this Agreement and injunctive relief against threatened conduct that will cause Franchisee or Franchisor loss or damages under customary equity rules, including applicable rules for obtaining restraining orders and preliminary injunctions.

Franchisee recognizes the unique value and secondary meaning attached to the System, the trade names, service marks, trademarks, standards of operation and the trade practices and agrees that any noncompliance with the terms of this Agreement or any unauthorized or improper use will cause irreparable damage to Franchisor and its

Franchisees. Franchisee therefore agrees that if Franchisee engages in any such unauthorized or improper use, during or after the period of this franchise, Franchisor will be entitled to both permanent and temporary injunctive relief from any court of competent jurisdiction in addition to any other remedies prescribed by laws.

7.19 Indemnification of Franchisor

Franchisee shall indemnify Franchisor for any loss, cost or expense, including attorneys' fees, that may be sustained by Franchisor because of the acts or omissions of Franchisee's vendors or suppliers or arising out of the design or construction of the mobile unit(s).

7.20 Headings and Table of Contents

The headings and Table of Contents used in this Franchise Agreement are for purposes of convenience only and shall not be used in constructing the provisions hereof. As used in this Franchise Agreement, the male gender shall include the female and neuter genders, the singular shall include the plural and the plural, the singular.

7.21 Third Parties

The parties intend to confer no benefit or right on any person or entity not a party to this Agreement and no third party shall have the right to claim the benefit of any provision hereof as a third party beneficiary of any such provision.

7.22 Late Charges On Past Due Amounts

A late charge will be added to any sum Franchisee is to pay to Franchisor under this Agreement that is not received within fifteen (15) calendar days after its due date. The late charge will bear interest at the lower of one and one-half percent (1 1/2%) per month and the maximum rate permitted under applicable law in the Marketing Area, from the date payment was due to the date payment is received by Franchisor

Franchisor's acceptance of late charges will not constitute a waiver of the breach created by Franchisee's non-payment of any amount when due. Notwithstanding the payment of any late charges, Franchisor may exercise any rights or remedies granted by this Franchise Agreement upon Franchisee's breach or any rights or remedies otherwise granted by law.

Nothing contained in this Franchise Agreement obligates Franchisor to accept any payments after due or to commit to extend credit to or otherwise finance Franchisee's operation of the Franchise. Franchisee acknowledge that failure to pay all amounts when due will constitute grounds for termination of this Agreement.

7.23 Address, Telephone Number and E-Mail Account Changes

Either party may change his or its address, telephone number or e-mail account address by giving notice in writing of such change of address to the other party. Franchisee must

notify Franchisor of Franchisee's change of address, telephone number or change of e-mail account address within fifteen (15) calendar days of such change.

If Franchisee moves their residence out of the Marketing Area, Franchisee must hire two-thirds of their labor force for the Franchised Business from within the Marketing Area including at least one manager or crew leader as provided for in the Confidential Operations Manual.

7.24 Effectiveness

The submission of this Agreement does not constitute an offer to franchise and this Agreement shall become effective only upon execution by Franchisor and Franchisee.

7.25 Force Majeur

If there is a fire, flood, hurricane, tornado, earthquake, riot or bombing in the Marketing Area which significantly reduces Franchisee's ability to work, no royalties will be charged to Franchisee during this time and in major disasters for thirty (30) calendar days following.
